

## **MESSAGE FROM THE PRESIDENT**

## Hi to all RHS Alumni,

It is hard to believe we are preparing for our fourth annual alumni banquet. Your alumni association is growing every year and getting stronger. From the nine people who started working on it in 2000 to now hundreds of members, it is overwhelming. We still have a lot of work to do to make our alumni association the best in Ohio. Please be a part of it and help us continue to make our association a success.

The first year, with money very tight, we were able to purchase a very large fan to help move some air in the old auditorium.

We then took on a major project and installed air conditioning in the auditorium that makes our banquet very comfortable, as well as all those who have meetings there for various events.

We then made a major contribution to the installation of new stage curtains. We are making ourselves known to our school!

This year will mark the last of the original board members serving on your board. We feel we are leaving it in excellent hands to continue to grow as we have in the past four years.

So please plan on attending your banquet this year and be a part of our great alumni association. It was so much needed! See you at the banquet.

Don Longwell, Class of 1968 President, RHSAA

# THIRD ALL-SCHOOL REUNION HELD IN 2002 AT RHS

RHSAA held its third annual all-school reunion on August 31, 2002 at RHS. All veterans were recognized.

## **HONORED CLASSES OF 2002**

A former class member from each honored class (1957, 1962, 1967, 1972, 1977 and 1982) introduced the class members who were present. Helen (Ball) Wyckoff (1973) read a poem she wrote as a tribute to her deceased brother, Dwight Ball, who was a former member of the 1967 class. Steve Janeda, another 1967 grad was also killed in Vietnam in 1970. Dwight and Steve were both featured in a written tribute in the Pilot's Log in the Beacon. Group 8 x 10 color pictures of each honored class were taken and special tables were reserved for them.

## RICHARD L. "DICK" POTTS HONORED

The 2002 Harry E. Mallett Distinguished Service Award was presented to the family of Dick Potts, former teacher and basketball coach at RHS.

Linda (Potts) Beisel (1965) accepted the award in memory of her father. Gary Mallett (1969), representing the Harry E. Mallett family, spoke about his experiences as a former student and basketball player under Coach Potts. Gardner Curtis delivered a tribute to his deceased friend and colleague.

## 2002 GRADUATES RECEIVE RHSAA SCHOLARSHIPS

The 2002 scholarship winners were Tim Byers, son of Paul and Paula Byers, and Sara Swan, daughter of Mike and Teresa Swan. The recipients accepted their award certificates from Mary Sebring and Sandy Brookover, members of the scholarship committee.

Sara is attending Waynesburg College in Waynesburg, PA and Tim is enrolled in Marietta College, Marietta, OH. Faculty members from both colleges have been impressed with the motivation and academic achievements of both students. After notification from the colleges that they had completed their first semester or quarter of college, Sara and Tim each received a check for \$250. We wish them both much success.

## AFGHAN RAFFLE BENEFITS SCHOLARSHIP FUND

A special treat for the 2002 Reunion was the raffle for an RHSAA afghan made by Janice Kindelberger retired teacher, who taught at RHS from 1965 to 1986. The afghan was a red and gray pilot wheel design to honor the River Pilots. The lucky winner of the drawing was Beckie Harman (1972), one of "Mrs. K's" former students. The proceeds from the raffle go toward RHSAA scholarships. Mrs. K is working on another afghan for the 2003 reunion. Thank you "Mrs. K!"

## PLATINUM RIVER PILOT CLUB MEMBERSHIP STARTED

RHSAA now has 2 Platinum memberships from Vernon "Butch" Rush (1963) and Avie (Ward) Lippert (1960). When Avie was asked why she chose to make the \$500.00 contribution, she said "I got a darn good education at this school and I wanted to give something back." We look forward to receiving more Platinum memberships in the future years. FOURTH ANNUAL ALL-SCHOOL REUNION TO BE HELD ON SATURDAY, AUGUST 30, 2003 AT RIVER HIGH SCHOOL – MARK ON YOUR CALENDAR NOW!

## NEW STAGE CURTAINS FOR RHS AUDITORIUM

In November 2002 the RHSAA presented a check for \$1,000.00 to River High School to go toward the purchase price of new stage curtains in the high school auditorium. The new deep red and gray curtains replace the original curtains installed when the school opened in 1957. Students are excited about having a nice background for a concert or play. Community groups who use the auditorium will also notice the improvement.

The RHSAA contribution came from the Memorial Fund, which receives member donations in memory of deceased RHS teachers, employees, or graduates.

## RHS GRAD DEVELOPS WEBSITE FOR SCHOOL AND ALUMNI

Dennis Lively, a 1970 grad, is developing a website for River High School and the RHS Alumni Association. The name of his business is CompuDocDesigns, LLC. He has been designing websites for six years and has major national accounts.

After the site is completed, you can reach it at <www.riverhighschool.com>. There you will be able to see what is happening at RHS and in the RHSAA, as well as being able to pay dues, donate, and register online. You will be able to pay by credit card or a debit from your checking account through a secure, encrypted connection.

Dennis is donating the development of the website. However, the RHSAA will pay a web space provider the monthly cost of putting the website on the server.

## ALUMNI CHOIR IS ORGANIZING

About 20 River Alumni checked their membership form in last year's newsletter and indicated that they are interested in singing in an alumni choir.

Vicki (Arman) Voorhis, a 1962 grad, will direct and coordinate the singers. When Vicki was asked if she would like to be the director, she said, "I'd love to!" Vicki has been involved with music ever since high school graduation. She has directed and accompanied the Hannibal Methodist Choir for over 10 years as well as giving piano lessons. Vicki plans to have singers meet in July, pass out music, & practice for the 2003 reunion. Those who asked to be contacted will receive a letter in June.

You can still join. If you wish to join the choir and you did not check that interest in last year's newsletter, please do so on the MEMBERSHIP FORM on the inserted page and return promptly by July 7.

## RHSAA CONTRIBUTES TO DALLY MEMORIAL LIBRARY

The RHSAA Board of Directors recently contributed \$560.00 to the Riverfront Library Association Board. The RHSAA designated \$60.00 for the purchase of books in memory of the three Distinguished Service Award honorees, Harry Mallett, Marty Flannery and Dick Potts. A book donation will be made each year to the Dally Memorial Library in honor/memory of the RHSAA Distinguished Service Award honoree, selected by the alumni board.

The Dally Memorial Library will service the schools and communities along the Ohio River from Clarington to Fly. Currently, there are no library facilities at the Sardis or Hannibal Elementary Schools. This new library will also assist the River High School students as well as provide convenient and modern library services to over 3,000 Monroe County adults living in the riverfront area.

Tables and shelving were donated by Bayer Corp. and those have been installed. Some books have been shelved by volunteers including Janice Kindelberger, a retired RHS teacher. The library plans to open in May, 2003, so it should be open by the time you read this newsletter.

Donna (Price) Dally, a 1959 RHS grad, is President of the library board. The Dally family home previously occupied by Rance & Pearl Dally and their daughter, Ruth Ann (1961), and son, Dave (1959), will house this new library. If you are interested in assisting the library, you can contact the Memorial Library at P O Box 37, Sardis, OH 43946 or for additional information please call (740) 483-2247.

## 75 MORE RIVER PILOT CLUB AND LIFETIME MEMBERS TO DATE

Currently, all lifetime and platinum dues are deposited into the Projects Fund of RHSAA. That money has been used to install the A/C in the RHS Auditorium and will be used for future improvements at RHS as well as building the scholarship funds. Currently, we are putting new glass and frames on the class pictures that hang in the main hallway.

Lifetime membership has reached a total of 136 members. The following people have made payment of \$100 dues each since June 2002. Look for the entire list of 136 in "The Pilot's Log" in the *Beacon* in August.

## RHS ALUMNI FLAG CAN NOW BE ORDERED FROM BOARD MEMBERS

Last year, the Board members heard requests from alumni that it would be nice to have an alumni flag. So, a red flag with RIVER HIGH SCHOOL ALUMNI in grav letters and a gray PILOT WHEEL has been designed by Kelli (Baranich) Merideth of Goodstuff Sportswear. The flag measures 22" W x 25" L and sells for \$20. It can be hung indoors or outdoors. The Board members are taking orders and each board member has a sample flag. We are taking orders so the company can have time to make the flags. Alumni who live in Monroe County and nearby will be able to hang the flag outdoors to show support for River High events as well as on Alumni Weekend. Regardless of where you live you may choose to also hang the flag indoors inside your home. Parents of RHS graduates may want to buy a flag for their son or daughter. They would make good presents any time.

If you wish to order a flag, just fill out the ORDER FORM on the inserted page and return with your check.

## **MEMBERSHIP UPDATES**

Bonnie Logston, Membership Chairman, reports that over 600 more addresses of RHS grads have been received during this last year reaching a total of 3,200 individuals.

We now have Class Coordinators for all 48 graduating classes from RHS except for 1996, 1997 and 2000. These are two great milestones for River Alumni.

Please don't forget to report any address changes to Bonnie Logston. Her phone and e-mail are listed in the Board of Directors on the back of the inserted page

#### THANK YOU TO BETTY FARNSWORTH, RHS SECRETARY

In January 2000, Barbara (Schaub) Thode (1960) called River High School and asked Betty how we could find out who has graduated from RHS. Betty said, "We have yearbooks from most years that we probably could copy for you. No addresses, but that would give you names in order to get started. I'll have to check with Mr. Reich, the principal, to see if it's OK." Mr. Reich said, YES! Thanks, Mr. Reich!

Betty proceeded to copy the classes up through 1975. Barbara punched the papers and made folders for the classes. Then the hunt began with Barbara calling anyone she knew to see if there was a list of addresses for each class. Betty continued to copy additional classes through 1999. Since then she has copied the current graduating class. We hope that you can see that Betty's willingness to help us has been one of the crucial elements needed to help us form our alumni association. She has assisted us each year since 2000 to get paperwork distributed regarding scholarships and membership. For the reunion every year she makes sure that we have access to the building for set up. We have been so fortunate to work with Betty.

CONGRATULATIONS, BETTY, on a job well done!

## **CLASS REUNIONS ARE ANNOUNCED**

Ron (1962) and Mary Sebring (1965) are making these signs. Thanks, Ron and Mary!

## **PASSING THE TORCH**

I love it when a plan comes together. The blueprint for a River High School Alumni Association that I drew in my mind in January 2000 is fast becoming a reality. It's really amazing what has been accomplished. A scholarship fund is established and continues to grow. Future plans are expected for an Alumni Basketball Tournament. RHSAA donations to projects to benefit the school and community are mentioned elsewhere in this newsletter.

And how has this all happened? Alumni have dared to dream. They share the pride for River High School. They believe in the purpose to promote communication among the graduates, to plan organized activities among the alumni, and to promote scholarship as well as extracurricular achievements among the students of RHS. A group of nine worked on the initial planning committee. Alumni serving on the Board of Directors today are also working together as a team. They are always looking for ways to improve activities or procedures. Committee members are willing to help whenever possible. The RHS staff has encouraged our efforts from the start. Technology, including the internet, e-mail, promoted communication etc., has immensely and continues to benefit the RHSAA. A website for RHS and the alumni is being designed even as I write this article.

When I made over a hundred phone calls looking for address lists from graduating classes for the first twenty years, I had conversations that I will cherish forever. Many of those people are the ones who let us know where the people were, and many of those are the current class coordinators. We needed people to form an association: and you, the alumni, are responding. I can truly say that the last 3 1/2 years has been one of the most rewarding times I've ever had as a volunteer. After serving as Treasurer for 3 years and setting up the financial accounts, my term on the Board of Directors ends. However, I plan to remain on the Publicity Committee working with others on the newsletter, "Pilot's Log," and scrapbook. So, as the torch is passed on, I challenge you to keep the torch burning for the benefit of all River High Alumni!

Barbara (Schaub) Thode, 1960 Newsletter Editor & Publicity Chairperson
